**Foreign National**

A Foreign National is a non-resident alien who is not authorized to live or work in the U.S. but they may periodically visit. If a borrower does not have a valid work VISA or work authorization card, and lives or works outside the U.S., they are considered a non-resident alien. This does not include permanent resident aliens or non-permanent resident aliens employed by a U.S. employer.

Borrowers are required to provide a current valid VISA, unless they are from a country who is approved under the Visa Waiver Program (VWP), in which case they may be exempt from certain documentation requirements.
