

Margin Agreement

A margin account involves an extension of credit to you in connection with your securities account. This Margin Agreement and consent to loan securities enables securities in your account to be pledged or loaned to others to finance the funds that are loaned to you. By completing and executing this Margin Agreement, you hereby request that your Registered Investment Adviser ("RIA" or Adviser) and Axos Clearing LLC ("Axos Clearing") amend the account in the name(s) listed below and endorse this account as a MARGIN ACCOUNT.

Margin Agreement

Your Adviser will be pleased to answer any questions you may have regarding your margin account. This Margin Agreement supplements the Customer Agreement between you and Axos Clearing. In consideration of the acceptance of your account under this Margin Agreement, you agree to the following supplemental terms and provisions:

Extension of Credit. Pursuant to Regulation T under the Securities Exchange Act of 1934, as amended, and the rules and regulations of the Securities Exchange Commission ("SEC") and the Board of Governors of the Federal Reserve System, it is agreed that you may purchase, carry and trade certain securities on margin. You authorize Axos Clearing and/or your Adviser to obtain reports concerning your credit-worthiness and business conduct. Upon your request, you may obtain a copy of any said reports. Initial margin requirements established by the Board of Governors of the Federal Reserve specify the minimum amount of collateral you must provide when you buy securities on margin. The requirement is expressed as a percentage of the purchase price. It may change from time to time, and it may be a different percentage for different types of securities. When you purchase securities, you may pay for the securities in full or you may borrow part of the purchase price from Axos Clearing by the use of your margin account. If you choose to borrow funds from Axos Clearing, the securities purchased are Axos Clearing's collateral for the loan to you.

Maintenance of Margin. You agree to maintain such positions and margin as required by Regulation T and all other applicable statutes, rules and regulations, or as may be deemed necessary by Axos Clearing or your Adviser. Additional requirements may be more stringent than those required by law or exchange regulations. Such requirements may be changed or modified without prior notice to you. If the securities in your account decline in value, so does the value of the collateral supporting your loan, and, as a result, Axos Clearing can take action, such as issue a margin call and/or sell securities or other assets in any of your accounts held with Axos Clearing in order to maintain the required equity in the account. You acknowledge that there is no requirement of Axos Clearing to provide notice to you of a margin deficiency. It is important that you fully understand the risks involved in trading securities on margin and that you promptly satisfy all margin and maintenance calls. If you do not meet a margin call, **Axos Clearing may liquidate securities in the account to the extent necessary to satisfy the call.**

Short Sales. You shall clearly designate any order to sell "short" or "short exempt;" all other sales shall be deemed to be "long." Short account securities will be "marked to the market" daily. The value of any short securities will be considered as a debt to your account.

Interest on Margin. You shall pay interest on credit extended by Axos Clearing under this Margin Agreement for the purpose of purchasing, carrying or trading securities. Interest will be charged on your average daily net settled debit balance and calculated using the Axos Clearing Base Rate ("ACBR").

The ACBR is set at the discretion of Axos Clearing with references to the general credit markets, the broker call rate and general industry conditions relating to the extension of margin credit. The ACBR will change without notice to you as changes occur in the general credit markets, the broker call rate and general industry conditions relating to the extension of margin credit, at Axos Clearing's discretion. Axos Clearing makes available the current ACBR at the following link on Axos Clearing's website: <https://www.axosclearing.com/disclosures/>. Axos Clearing will update the information displayed here to reflect any adjustments in the ACBR so that you may check the current ACBR at any time. You may contact your Adviser or Axos Clearing's Client Services Department at (402) 384-6191 if you have any questions about the margin rates applicable to your margin balances.

On demand, you shall pay any balance owing with respect to your accounts, including fees and any costs of collection. All payments received in your account, including dividends, interest, premiums and principal payments may be applied to the balance due in your account. The rate of interest charged for the credit extended to you shall be calculated on a 360-day year and actual days elapsed using the ACBR.

Securities Lending. For any securities held by Axos Clearing as property on margin under this Margin Agreement or as collateral for your obligations under this Margin Agreement, you authorize Axos Clearing to lend such securities, either separately or with other securities, to itself or to other entities. Securities in your margin account are registered in Axos Clearing's name and are collateral for any margin loan. You still receive credit for all dividends or interest payments on these shares and your account will be charged for any dividends or interest on short positions. If there is a decline in the market value or liquidity of securities that are the collateral for your loan or other circumstances where, in Axos Clearing's judgment, adequate collateral does not exist, it may be necessary to request additional collateral for your margin account. Axos Clearing may increase its "house" maintenance margin requirements at any time and is not required to provide you with advance notice. These changes in Axos Clearing's policy often take effect immediately and may result in the issuance of a maintenance margin call. Your failure to satisfy the call may cause Axos Clearing to liquidate or sell securities in your account(s). Until written revocation confirmation is received by Axos Clearing or your Adviser which then communicates the same to Axos Clearing, this Margin Agreement constitutes your continuing consent to effect securities lending transactions. Upon such written revocation, and payment for all balances due to Axos Clearing, Axos Clearing will deliver such securities to you if so requested.

Account Number:

Hypothecation of Securities. For any amount due on your account, you authorize that your securities may be pledged, re-pledged, and hypothecated or re-hypothecated, without notice to you, either separately or with securities of other bona fide clients. You represent that you will not allow any securities in any of your accounts to become subject to liens, security interests or other encumbrances. You further represent that you are not controlled by or in control of any issuer of any security you have provided as collateral to Axos Clearing.

Liquidation. You acknowledge that securities held in your account may be liquidated without notice to satisfy minimum maintenance or margin calls. You are not entitled to choose which securities or other assets in your account(s) are liquidated or sold by Axos Clearing to meet a margin call. You are not entitled to an extension of time to meet a margin call. While an extension of time to meet margin requirements may be available to you under certain conditions, you do not have a right to the extension. Without limitation, any of the following circumstances may give rise for Axos Clearing to exercise this power: (i) your failure to promptly meet any call for additional collateral; (ii) the filing of a petition in bankruptcy by or against you; (iii) the appointment of a receiver is filed by or against you; (iv) a significant judgment is entered against you, or any levy is made on your account(s); and (v) the occurrence of any event which, in Axos Clearing's judgment, operates to impair your ability to perform its obligations under this Margin Agreement. In any such event, and without further notice, you authorize Axos Clearing to (i) sell any securities held in your account(s); (ii) buy any securities which may be short; (iii) cancel any open order; (iv) to close any outstanding order; and (v) otherwise take any action deemed necessary to comply with applicable statutes, rules and regulations or any other requirements governing your margin account. If for any reason Axos Clearing delays or forgoes for a period the enforcement of its margin requirements, Axos Clearing's subsequent enforcement or right to enforce is not thereby waived.

Governing Law. This Margin Agreement and all documents incorporated by reference are governed by the laws of the State of New York.
